EDCO Products Inc.

Innovation. Quality. Service.

Product quality and innovation is at the heart of everything that we do - always has been, always will be. Since 1946, EDCO has manufactured the building industry's most extensive line of maintenance free exterior products. With a relentless dedication to quality and service, our products are designed and built to stand the test of time. Find out more about us at edcoproducts.com.

EDCO Warranty Plus

Gives you peace of mind today and into the future.

All warranties are not created equal. Be sure to read the fine print of any product you are considering. We back every one of our products with the best warranty in the industry. At EDCO, we manufacture all of our products here in the U.S.A. and we stand behind our quality to ensure our customers are completely satisfied with their purchase.

Soffit, Fascia and Trim

Enhance the beauty of your home.

EDCO's line of soffit, fascia and trim is designed to complete the look of any new construction or remodel project. Our system is maintenance-free, withstands even the most rigorous weather conditions and is backed by the industry's best warranty.

EDCO's soffit is available in solid, center-vent and full-vent panels. By ensuring proper ventilation, our unique center-vent and full-vent panels help control energy costs during the hot summer months, and prevent/reduce ice-dam buildups during the winter months.
